IRISH JOURNAL OF MEDICAL SCIENCE

(ISSN0021-12.65)

1996

VOL. 165

INDEX

ABDELWAHAB, S.M., ... 300
Abdominal magnetic resonance imaging. Water as an oral contrast agent in upper, ... 221
Absorption of carbon dioxide and anaesthetic gases by zealot 5A 306
Acetabular prosthesis anteversion: An experimental study. Radiographic assessment of, ... 10
ACHESON, R., ... 274
ACHESON, R.W., ... 68, 69
Achondroplasia. Case report : Renal osteodystrophy in association with spinal stenosis in, ... 155
Activation of bovine caudate g-proteins by muscarinic acetylcholine receptors 226
Acute myocardial infarction. Comparison of a simple algorithm with a computer program for electrocardiogram interpretation. The early diagnosis of 159
Acute myocardial infarction. International trials and national practice: a questionnaire survey of current physician practice in the treatment of, ... 157
Acute renal failure in orthotopic liver transplantation 271
ADGEY, A.A.J., ... 76, 77
Adolescents. An empirical examination of some common hypotheses concerning the causes of overuse injuries in, ... 310
ADURÍZ-LORENZO, P.M., ... 68
Advances in breast cancer: clinical land biological lessons from screening 143
Aerobic fitness correlates inversely with body mass change in jockeys 309
AHERNE, A.M., ... 228
AIDS patients. Colocalisation of human immunodeficiency virus and human cytomegalovirus infection in brain autopsy tissue from, ... 133
Airway epithelium. Intracellular calcium mobilisation in normal and cystic fibrosis human 228
AIYASWAMI, K.V., ... 121
AL-HADRAMY, M.S., ... 300
ALLEN, J.M., ... 76, 236, 237, 310, 311
ALLSHIRE, A.P., ... 308
Almitrine on ventilatory responses to hypoxia and hypercapnia in conscious rats. Effect of, ... 233
Alsosterone on free intracellular calcium in T84 cells. Rapid effects of, ... 231
Altered load. Bone density changes in response to, ... 79
Altered loading quantification in the sheep's forelimb. Bone adaptation in response to, ... 80
Altered magnesium homeostatis during cyclosporine a nephrotoxicity in rats 229
Alumina ceramics. Effects of microstructure on fracture behaviour of, ... 79
ALYUSUF, R., ... 64
Amine reuptake blockers and receptor antagonists on thermoregulatory, hypnotic and renal responses to dexmedetomidine in rats. Differential effects of, ... 233
Amphetamines to rats. Some neurochemical and behavioural consequences of repeated administration of substituted, ... 232
An exploratory Study of the Pattern of Consent for Autopsy in a regional Hospital Setting 7
Anaesthesia on antioxidant status in humans. Effects of fasting and, ... 308
Anaesthesia. Assessment of a novel approach to spinal, ... 304
ANDERSON, J., ... 76, 77
Ano-rectal physiology. Effect of hysterectomy on, ... 65
Anterior cortical nucleus of the amygdala in emotional behaviour. A neurotoxic evaluation of the role of the, ... 228
Anthropometric and physical fitness characteristics of leading Irish jockeys 309
Anticancer potential of the vitamin A derivative, fenretinide. In vitro and in vivo evaluation of the, ... 63
Anticoagulant, antithrombotic and haemorrhagic effect of long-term warfarin on experimental venous and arterial thrombosis in the rat 213
Apatite-mullite glass ceramics 78
Apomorphine induced effects in the rat under different experimental conditions. A comparative assessment of, ... 229
Appearances of benign and malignant breast conditions on magnetic resonance imaging with gadolinium enhancement. The, ... 222
Appropriateness of Laboratory Tests: Requests for Atypical Pneumonia Serology in a Teaching Hospital 93
APT stimulates formation of insitol phosphates in rabbit oviduct epithelial cells 224
AQ4N with radiation in BDF mice implanted with the T50/80 tumour. Interaction of the novel bioreductive drug 310
ARMITAGE, N.C., ... 64
Arterial Claudication. Spinal claudication versus 118
Arteriography. Evaluation of a new mechanical device for femoral artery compression post 221
Arthroscopy. Diagnostic and Therapeutic 121
ASHFORD, R., ... 238
Assay for detection of elevated levels of myoglobin in human serum. Development of a rapid latex, ... 234
Assay with an enzymeimmunoassay for detection of anti-streptokinase antibodies. Correlation of a rapid functional, ... 234
Assessment of a novel approach to spinal anaesthesia 304
Assessment of graded stabilisation in lumbar fusion 77
Assessment of platelet aggregation and activation in patients undergoing limb salvage. An, ... 66
ATKINS, G.J., ... 133
Audit of Rural Hospital's Coronary Care unit: comparison of two predictive instruments of acute myocardial infarction mortality 254
Bacterial translocation in the obstructed colon. Protein-calorie malnutrition and, ... 66
BAIRD, A.W., ... 230
BALLUZ, I.M., ... 133
BARRY, M.C., ... 109
BARRY, M.K., ... 64
BARRY, P., ... 70
BASSO, L., ... 57
BATTLES, E., ... 79
BAXTER, G.D., ... 237, 238, 305

BEIRNE, J.C., ...65
BELFAIZA, J., ...24
BENEDICT-SMITH, A., ...69
Benign ovarian lesions can cause severe hyperandrogenaemia in post-menopausal women 62
Benign prostatic hypertrophy with transurethral balloon dilatation of the prostate. Management of, ...222
BEVERLAND, D.E., ...74
Bilateral Acoustic Neurofibromatosis camouflaged by corticosteroid treatment of sudden sensorineural hearing loss. 151
Bilateral self-removal of the eyes in a patient with an explosive personality disorder 70
Bile Duct exploration. Open common. End of an epoch? 32
Biomechanical study of wiring techniques in fractures of the distal radius 74
Biomechanics of hanging. Samuel Haughton revisited: The, ...73
BLACK, N.D., ...77
BLAKE, M., ...221
BLANEY, A., ...82
Blockade of outward current in isolated smooth muscle cells of the sheep bladder 225
Blood flow in the human forearm: ipsilateral and contralateral effects. Investigation of the effects of low level laser irradiation upon peripheral, ...305
Blood pressure and heart rate dynamics during and after exercise in an unselected population 250
BLOOMFIELD, F.J., ...173
Body mass change in jockeys. Aerobic fitness correlates inversely with, ...309
BOISSEL, L., ...44
Bone adaptation in response to altered loading quantification in the sheep's forelimb 80
Bone cement, and are these cracks associated with failure of cemented hip reconsturctions? Do cracks occur in, ...78
Bone density changes in response to altered load 79
Bone replacement material. Development of a synthetic, ...78
Bone resorption after cementless total hip arthroplasty predictions based on accumulative damage in bone tissue 81
Bone tissue mineralisation. The role of interstitial fluid flow in fetal cartilaginous, ...83
Bone tissue. Bone resorption after cementless total hip arthroplasty predictions based on accumulative damage in, ...81
Bone Tumours. Surgery for Locally Aggressive, ...278

DAVIES, M.G., ... 109

DAWSON, M.,.....236
DAWSON, M.A.,.....235
DAY, F.,.....286
DEANE, S.,.....99
Death analysis study: Trauma outcomes: a,.....99
Debonding. A simulation of cement cracking around femoral hip implants: the effects of cement/stem,.....82
Deliberate ingestion of foreign bodies by institutionalised psychiatric hospital patients and prison inmates.....294
DEMPSEY, G.J.,.....76, 77
Detection of cardiac damage. Improved cardiac signal processing tools. Part I.....76
Detection of Cardiac death. Improved cardiac signal processing tools Part II.....77
Development of a rapid latex assay for detection of elevated levels of myoglobin in human serum.....234
Development of a static knee simulator for prosthesis evaluation.....73
Development of a synthetic bone replacement material.....78
Development of an "in vivo" pressure measurement system for use in total hip replacement surgery. The,.....74
DEVINE, P.,.....69
DEVITT, A.,.....73, 153, 278
DEWHURST, G.,.....55
Diagnosis of reflux disease.....185
Diagnostic and Therapeutic Ankle Arthroscopy.....121
Dialysis. Rapid reversal of profound Hypothermia using Peritoneal,.....113
Dietary probiotic on some ruminal functions in hay fed sheep. The effect of a,.....237
Differential effects of amine reuptake blockers and receptor antagonists on thermoregulatory, hypnotic and renal responses to dexmedetomidine in rats.....233
Digital signal processing based hearing aid. A wearable,.....77
DILLON, M.,.....40
DINEEN, T.M.,.....312
Discoid lupus erythematosus and porphyria cutanea tarda.....61
Distal radius. A biomechanical study of wiring techniques in fractures of the,.....74
DNA Amplification Fingerprinting (DAF) Applied to the Investigation of *Acinetobacter baumanii* Isolated from Intensive Care Unit Patients.....44
DNA diagnosis. Complications of fragile X syndrome,.....235
DNA flow cytometry of fine needle aspirates. Testicular function following torsion as determined by,.....64
DOCHERTY, J.R.,.....226, 235
DOLAN, A.M.,.....74
DONNELLY, M.J.,.....303
DONOGHUE, J.,.....53
DONOHUE, D.J.,.....200
DOOLAN, C.M.,.....231
Dopamine D1a receptor protein and mRNA in myocardium. Colocalisation of,.....228
Dosimetry in small bowel enema. Organ,.....221
DOWDALL, D.,.....236
DOWLING, F.,.....75
DOYLE, J.,.....10
DOYLE, M.,.....265
Duchenne muscular dystrophy - linkage analysis using an automated laser fluorescent sequencer - ALF (pharmacia).....236
